for garage & entry doors**

ELEGANCE FINISH OPTIONS

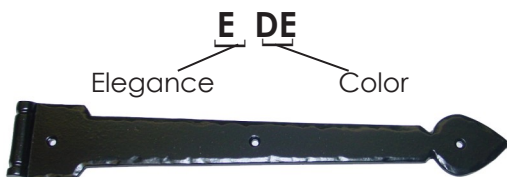

Select an Elegance Hardware finish option to distinguish your home from your neighbor's, while increasing its curb appeal.

All of our hardware is available in Elegance Black; to identify which items are also available in one of the 4 distinctive Elegance finishes, look for **E**, *The Mark of Elegance*.

When selecting your hardware in an Elegance finish, add the abbreviated Elegance color code to the end of the item's part number.

EX: If you are ordering 300-70016-EDE

It tells us you want a 16" hinge in the Dark Earth Color, rather than black.

EBL- Elegance Black; A timeless black in an antique finish.

EEDE- Elegance Dark Earth; Specs of rust and earth tones sprinkled in a satin finish.

EEC- Elegance Copper; A rich copper intertwined with black veins in a gloss finish.

EERB- Elegance Oil Rubbed Bronze; A statuesque metallic brown in a satin finish.

EESN- Elegance Satin Nickel; Glistening, silky nickel in a satin finish.

E The Mark of Elegance will distinguish which items are available in the additional Elegance finishes.

E Item is also available in 4 Elegance colors.
